#### Through Research, Education and Family Support, We Have – **ONE MISSION: END AHC**

Thank you for your support of the AHC Foundation. Progress has been made in understanding the cause of this very rare disorder, but much work remains in developing treatments and ultimately, a cure.

Your donation can make all the difference as we work together to make life better for those individuals with AHC, along with their families. It will be used to fund the research necessary to eventually fulfill our mission to END AHC, raise awareness of AHC, and maintain a network of support for AHC Families.
