Volunteer to Be Part of the Solution – Join the AHCf Volunteer Network!

Want to use your skills and strengths to make a positive impact in the AHC community? Are you driven to make a difference? Curious about how to help? Are you interested in getting involved but not sure where to start? **Well, you have arrived at the right place!**

The AHCf volunteer network brings people together to help make the AHC community stronger. With a wide variety of opportunities, there are numerous ways to help. Your contributions as a volunteer will also provide an opportunity to meet other like-minded volunteers who will be here to support you every step of the way.

Our goal is to ensure that you have a rewarding and impactful experience while volunteering with us. To welcome you to the network, we will connect you with our volunteer coordinator. Together, we will chat about preferences and skills to find the perfect opportunity for you within the AHC community.

Volunteers are an especially important and collaborative component of the foundation. The AHCf Board of Directors thank you for choosing to volunteer with us as **you most assuredly help make a difference!**

Thank you again for choosing to volunteer with the AHC Foundation. Your commitment is truly invaluable, and we look forward to the positive impact we will have together.

Warm regards,

Vicky Platt
President
